

Introducing the new *Pro Board* from **CDN Networks**.

Makes your existing Smart Technologies SMART Board *even smarter!*

The *Pro Board* is a specially designed cover for SMART Boards of all sizes. The cover fits perfectly over your SMART Board and allows you to extend the features offered by your board.

- ✓ The Pro Board cover is very strong and sturdy protecting your sensitive SMART Board from damage.
- ✓ It can be projected on like a traditional whiteboard
- ✓ It can be written on using normal dry-erase pens without the fear of damaging your costly interactive SMART Board.
- ✓ The *Pro Board* combines the benefits of both your interactive whiteboard and your traditional dry-erase board. You no longer need more than one whiteboard in your classroom.

This revolutionary new product saves you space and extends the life of your valuable SMART Board.
